 Subject: Commission schedules affirmation session re: DOE's petition to review the Board Order

All,

The Commission has scheduled an Affirmation Session for **tomorrow, Friday, April 23, 2010 at 9:30 a.m.** to vote on the DOE's petition for review of the Board's Order suspending briefing and consideration of withdrawal motion. The session will be Web cast at <http://video.nrc.gov/live/>. Historically, affirmation sessions are very brief, with NRC's Secretary reading a synopsis of the matter before the Commission and asking each Commissioner and the Chairman to affirm his/her vote publicly.

Shortly following the affirmation session, a Commission Order will be released that details the Commission decision/action. This, of course, means that you will get yet another e-mail from me.
