Message: Nevada.pdf (303 KB)

Hello again -

Yesterday, the State of Nevada filed with the Board the attached response to DOE's motion to withdraw with prejudice the Department's license application for a high-level waste repository at Yucca Mountain. In short, Nevada supports DOE's motion.

Reminder: the Board is scheduled to hold a scheduling argument and case management conference at the NRC Las Vegas Hearing Facility, on Thursday and Friday, June 3-4, 2010.
