In Reference 1, Exelon Nuclear Texas Holdings, LLC (Exelon) submitted an application for a combined license (COL) for Victoria County Station (VCS), Units 1 and 2. In Reference 2, Exelon notified the NRC that an Early Site Permit (ESP) would be pursued for the proposed VCS site rather than a COL. In Reference 3, Exelon submitted an application for an ESP for the VCS site. In Reference 4, the NRC notified Exelon that the application for an ESP for the VCS site has been accepted and docketed.

Since the application for an ESP for the VCS site has been accepted and docketed, Exelon hereby requests that the VCS, Units 1 and 2 COL Application, submitted in Reference 1, be withdrawn.
