MHI,

The attached RAI was initially issued on May 11, 2010 (ML101320301). You responded on June 14, 2010 (UAP-HF-10169, ML101680363). However, there was an error with question 05.03.02-8. In the final RAI, the question read, "See attachment." But, the attachment was not provided. The question was included in the draft RAI you reviewed. The entire RAI has been reprinted here with the only change being the inclusion of question 8 in this version of the final RAI. NRC will review your already submitted response to questions 05.03.02-2 through -7. There is no need to resubmit those responses. Please respond to question 05.03.02-8. Your licensing review schedule assumes technically correct and complete responses within 30 days of receipt of RAIs.

Please submit your RAI response to the NRC Document Control Desk.

Thank you,

William R. Ward, P.E.
