Dear Mr. Bowman:

Lockheed Martin Corporation, acting through its Nuclear Systems & Solutions business unit (Lockheed Martin), in support of the May 26, 2010 meeting with NRC staff, provides Enclosure (1) herewith. Enclosure (1) to this letter is a version of the Lockheed Martin presentation used at the May 26, 2010 meeting with NRC staff that has all proprietary and export-controlled information redacted. Enclosure (1) to this letter has been cleared for public release in accordance with Lockheed Martin's policies and procedures. Redacted information is marked as indicated on the first page of the enclosure. The letter codes used with the markings indicate the reason(s) for withholding, which are defined by Enclosure (1) to the referenced letter.

Please note that Sandia National Laboratories is operated by Lockheed Martin, as such, we suggest that Sandia not be involved in the review of this data.

Should you desire further information and/or clarification, please do not hesitate to contact me at (570) 803-2261 or via email at james.f.hughes@lmco.com.

Sincerely,  
Lockheed Martin Nuclear Systems & Solutions
