SUBJECT: REQUEST FOR WITHDRAWAL OF COMBINED LICENSE APPLICATION FOR
VICTORIA COUNTY STATION, UNITS 1 AND 2

Dear Ms. Kray:

By letter dated June 11, 2010, Exelon Nuclear Texas Holdings, LLC (Exelon) requested that the combined license (COL) application for Victoria County Station (VCS), Units 1 and 2, be withdrawn from the docket.

The VCS COL application was accepted for docketing on October 30, 2008. On November 24, 2008, Exelon informed the U.S. Nuclear Regulatory Commission (NRC) of its decision to consider alternate design technologies and informed the NRC that their application would be revised after a decision was made. Upon receiving this notification from Exelon, the NRC suspended any further review of the COL application. On July 1, 2009, Exelon informed the NRC of its decision to pursue an early site permit (ESP) for the proposed VCS site. Exelon's ESP application was submitted to the NRC on March 25, 2010, and was accepted for docketing on June 7, 2010.

The purpose of this letter is to inform you that we have received your request to withdraw the COL application for Victoria County Station, Units 1 and 2. In accordance with the requirements of 10 CFR 2.107(a), and on the basis of the statements contained therein, your request to withdraw the VCS COL application from the docket has been accepted. Enclosed in this letter is a copy of the *Federal Register* Notice announcing the withdrawal of the application from the docket, as required by 10 CFR 2.107(c).

If you have any questions regarding this matter, I may be reached at 301-415-6775.

Sincerely,

/RA/

Janelle B. Jessie, Project Manager
