Subject: Reply to Request for Additional Information (Docket No. 70-9019) Related to the Oregon State University Special Nuclear Materials License Application

Ms Adams:

Attached you will find several attachments related to your Request for Additional Information letter of May 20, 2010 in reference to our application for a NRC Special Nuclear Materials License originally submitted by Oregon State University on October 22, 2009. Attached you will find:

- (1) Our answers to the RAIs.
- (2) A request of an exemption under 10 CFR 70.17
- (3) The application, revised to include the answers to the RAIs
- (4) A redacted version of the revised application.

In accordance with 10 CFR 2.390(a) and any other applicable parts of the USNRC's regulations, we hereby request that Attachment 3 and this letter, when it is attached to Attachment 3, be withheld from public disclosure.

Please direct any requests for additional information or questions, please do not hesitate to contact me.

Sincerely,

Rainier Farmer  
Radiation Safety Officer
