Re: License No.: 21-32794.01 Control No.: 319002

Mr. Herr,

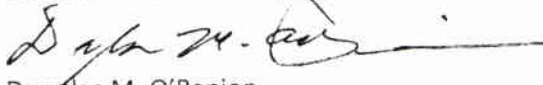

This is in response to your request for additional information regarding the above mentioned license. Specifically our phone conversation from today, 6-29-10.

I accept the position of Radiation Safety Officer (RSO) and I understand the duties and responsibilities associated with the position. I have attached a copy of both my Radiation Safety Training Certificate and my Hazmat Certification for your review and file.

I am committed to using Troxler Laboartories or other authorized persons such as Cline Technical Services, Inc of Amanda, Ohio to perform non-routine maintenance or repair operations that require removal of the source or source rod from the gauge(s).
