We are not fully prepared to discuss buried piping as we are trying to digest what transpired at the GALL workshop. At present we have the Pilgrim LRA submittal, the Pilgrim response(s) to the Entergy fleet-wide buried pipe initiative, and pre-GALL revision plans. We just need some time to fully digest all aspects and will then be pleased to have a call with you and the reviewer.

Thanks, Fred. Any chance we could to a similar conference call for buried piping tomorrow?
