Dear Sir;

We have never met and don't know each other. Suffice it to say I am a concerned citizen, worried about the direction my country is taking. Since I am retired, I have all day to surf, blog and delve into the transparency of the current administration. Please try to keep me out of this as I don't want the swat teams tearing up the lawn. My concerns to you are contained in the attachment.

Sincerely,
Dick Landers
