Subject: FW: Harry Ried using the YMP land for solar

Emile,

Please place the forwarded e-mail in the appropriate HLW docket as a 10 C.F.R. Section 2.315 limited appearance statement and have it sent to all parties, including the five new intervenors. Thanks.

If you can't stop them in court he will stop you by covering the whole Yucca Mountain land withdraw area with solar panels see link.

the southwest coner of the test site is area 25 and is were the YMP is.

Harry is being very clever here and very disrepectful of the ASLB, Court of Appeals, the NWPA and the American people.
