July 7, 2010

Terrence Reis, Deputy Director
Division of Materials Safety and State Agreements
Office of Federal and State Materials and
Environmental Management Programs
U.S. Nuclear Regulatory Commission
T8-E24
Washington, D.C. 20555-0001

Dear Mr. Reis:

Enclosed is a copy of the revisions to the proposed Washington State Radiological Health Rules. The proposed revisions will be made available for public comment on July 7, 2010 with a request for comments by August 15, 2010. We request NRC's comments by August 15, 2010. The proposed regulations are identified by line-in/line-out text.

<u>Rats ID</u>	<u>Title</u>	<u>State Section</u>
• 2004-1	Compatibility with IAEA transportation safety standards and other safety amendments.	246-231 WAC
• 2006-1	Minor amendments Parts 20, 30, 32, 35, 40 and 70.	246-240 WAC
•	Appendix A	246-221 WAC

We believe that adoption of these revisions satisfies the compatibility and health and safety categories established in the Office of Federal and State Materials and Environmental Programs (FSME) Procedure SA-200.

If you have any questions, please feel free to contact me at 360-236-3259 or by email at traci.black@doh.wa.gov.

Sincerely,

Traci Black
Washington State Office of Radiation Protection
