**Southern Nuclear Operating Company
Vogtle Electric Generating Plant Units 3 and 4
Release of Shaw Drawing SV0-0000-X3-009 to Public Domain**

Ladies and Gentlemen:

On June 30, 2010, the engineering, procurement and construction (EPC) contractor for Vogtle Electric Generating Plant (VEGP) Units 3 and 4 (i.e., a Consortium of Shaw Stone & Webster [Shaw] and Westinghouse Electric Company) provided Southern Nuclear Operating Company (SNC) with an email that approved the release of Shaw Drawing SV0-0000-X3-009, "Overall NOI Areas Map," to the public domain. This drawing is contained in the U.S. Nuclear Regulatory Commission's (NRC's) recent safety evaluation report associated with Amendment 2 to the VEGP Early Site Permit (ESP-004). SNC forwarded the Shaw approval email to the NRC on June 30, 2010.

As a follow-up to the Shaw approval email, the Consortium provided SNC with written notification allowing the release of the subject Shaw drawing to the public domain. Thus, formal notification has been provided that releases Shaw Drawing SV0-0000-X3-009 to the public domain.

If you have any questions regarding this letter, please contact Mr. Brandon Waites at (205) 992-7024.
