SUBJECT: OFFICE OF INVESTIGATIONS REPORT NO. 2-2008-003

Dear Mr. Sullivan:

This refers to an investigation completed by the Nuclear Regulatory Commission's (NRC) Office of Investigations (OI) on December 8, 2009. The purpose of this investigation was to review a concern related to alleged discrimination at USEC Inc.'s American Centrifuge Plant.

Based on a thorough review of the evidence gathered during the OI investigation, the NRC staff has determined that there is insufficient evidence to substantiate that USEC Inc. violated the NRC's employee protection regulations, as defined in Title 10 of the *Code of Federal Regulations* 70.7. As such, we plan no further action with regard to this matter.

Should you have any questions, contact Greg Bowman of my staff at (301) 415-2939.

Sincerely,

/RA/
