In the Matter of
SHAW AREVA MOX SERVICES
Mixed Oxide Fuel Fabrication Facility
Docket No. 70-3098-MLA

Dear Administrative Judges:

In its Order dated October 9, 2009, the Atomic Safety and Licensing Board ("Board") directed the NRC staff ("Staff"), in cooperation with the Applicant, to tender every other month a joint report containing "(1) a brief statement regarding the then status of the technical review; and (2) the Staff's then best estimate as to the completion date of the review and the release of the SER."¹ The Staff and the Applicant produce herein the fifth of such reports. The Staff is still engaged in its review of the Application. The Staff expects to present a draft copy of the SER to the ACRS for review in September 2010. The Staff expects to release the final SER by December 2010.

In keeping with the Board's mandate, the parties will tender the next report by September 13, 2010.

Respectfully submitted,

/RA/

Kimberly A. Sexton
Counsel for the NRC Staff

Dated at Rockville, MD,
this 13th day of July, 2010.
