Ms. Sutton:

The Historic Preservation Division (HPD) has reviewed the additional information concerning the above referenced undertaking in Burke County, Georgia. Our comments are offered to assist the U.S. Nuclear Regulatory Commission (NRC) and its applicants in complying with the provisions of Section 106 of the National Historic Preservation Act of 1966, as amended.

Based on the information provided, HPD agrees with NRC that the backfill operations will have no effect to properties listed on or eligible for listing on the National Register of Historic Places.

If we may be of further assistance, please feel free to contact me.

Sincerely,
