Docket No. 52-016-COL

ASLBP No. 09-874-02-COL-BD01

MEMORANDUM

On June 24, 2010, the Board invited parties to submit their views on whether “the Board should now proceed to resolve Contention 1 through motions for summary disposition, an evidentiary hearing, or some combination of those procedures.”<sup>1</sup> The Board acknowledges receipt of the parties’ responses.

None of the parties appear to prefer the establishment of an early briefing schedule for motions for summary disposition regarding Contention 1 at this time. However, Calvert Cliffs 3 Nuclear Project, LLC, and UniStar Nuclear Operating Services, LLC (Applicants) mentioned that “[a]dditional updated information is scheduled to be filed on the licensing docket in July or August 2010,” and that they “anticipate filing a motion for summary disposition on Contention 1 within 30 days of that submission.”<sup>2</sup> Accordingly, the Board will not take further action at this time regarding a briefing schedule for motions for summary disposition or an evidentiary hearing
