LICENSEE CHANGE IN OWNERSHIP NO. 52-25470-0 | ^{RLS} 03035030

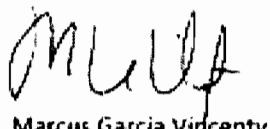

Dear Mr. Ragland

In accordance to US Nuclear Regulatory Commission we would like to notify that Central Industrial Services, Inc Geotechnical Services Division has closed operations as of May 28, 2010. As part of the closing process all nuclear gauges were sold and transferred to a new corporation.

The name of the new corporation is MGV-GES Lab Inc. which pretends to assume control of gauges as soon as this process of licensee change is approved by the Division of Nuclear Materials Safety. The location, facilities, equipment and/or procedures that relate to the licensed program will remain the same. The contact person of MGV-GES Lab Inc is Marcus Garcia Vicenty

Cordially submitted,

Enrique Pérez Vázquez
President
Central Industrial Services, Inc.
