**Significant Changes in Facility  
Administration**

Re: Facility License R-56, Docket Number 50-83

As required by our Technical Specifications, Section 6.6.3, Paragraph (1). We are reporting a significant change in our facility organization at Level 3 which is the level responsible for reactor operations and supervision of day-to-day facility activities of the University of Florida Training Reactor (UFTR). Dr. Edward Dugan has filled the Level 3 position, Interim Reactor Manager for the UFTR. Dr. Dugan has resigned this position. Dr. David Hintenlang, Interim Director of the UFTR, will serve as the Interim Reactor Manager for the UFTR effective July 10, 2010. If further information is needed please let me know.

Thank you for your consideration.

Sincerely,

David Hintenlang, Ph.D.  
Interim Director of Nuclear Facilities
