Lindsay: Thanks for getting back to me regarding setting up a meeting between Secretary Chu and Chairman Jaczko. I know the Chairman is looking forward to meeting with the Secretary. At this point, I think the best thing would be for me to put you in touch with the Chairman's scheduler, Glenda Evans, so you two can arrange for a mutually agreeable time. Glenda's phone number is 301-415-1820. Thanks again and let me know if you need anything else from me, Spiros
