Re: Smurfit-Stone Container Corporation – Uncasville, CT
CT DEP Ionizing Radiation Registration Invoice # 00364
Completion of Chapter 11 Bankruptcy Proceeding

This is to inform your agency that on June 30, 2010, Smurfit-Stone Container Enterprises, Inc., the owner and operator of our mill, completed its Chapter 11 reorganization in the U.S. Bankruptcy Court in Wilmington, Delaware. As part of the reorganization, our corporation changed its name to "Smurfit-Stone Container Corporation," one of the names we were using prior to the reorganization. Our facility is still owned and operated by the same corporation; only the name has changed. The court filings for this proceeding are available in the court's docket as Case No. 09-10235 (BLS).

Our facility continued normal operations during the Chapter 11 reorganization and will continue normal operations now that the reorganization has been completed. We recognize our continuing responsibility to properly maintain and control the radioactive devices covered by our registration and to comply with applicable requirements.

If you have any questions or wish any additional information about this matter, please do not hesitate to contact me at (860) 848-1500 extension 302 or at larmsstrong@smurfit.com.

Sincerely,

Lewis G. Armstrong
Technical Manager
