ADM002

Reference Contract NRC-10-07-414 for secretarial support services.

The purpose of this modification is to (1) exercise Option Year Three, and (2) increase the ceiling, as follows:

1. Exercise Option Year Three to extend the period of performance from September 21, 2010 to September 20, 2011. The total period of performance is from September 21, 2007 through September 20, 2011. Three option years have been exercised. One option year remains.
2. Increase the ceiling by \$28.94 to correct the base year, by \$98,793.24 to revise Option Year Two, and by \$2,979,198.90 for Option Year Three, a total increase of \$3,078,021.08, from \$7,990,600.32 to \$11,068,621.40. The current ceiling is as follows:

Base Year	\$2,229,817.94
Option Year One	\$2,880,405.66
Option Year Two	\$2,979,198.90
Option Year Three	\$2,979,198.90
Total Ceiling	\$11,068,621.40

A revised Schedule of Items and Prices, showing each year of the contract, is attached.

The amount for the base year is increased by \$28.94, from \$2,229,789.00 to \$2,229,817.94 to correct rounding.

The amount for Option Year One remains unchanged.

The amount for Option Year Two is increased by \$98,793.24, from \$2,880,405.66 to \$2,979,198.90, to reflect the increased labor rates for that year for the estimated hours, based on Wage Determination 2005-2103 Revision 8.

The amount for Option Year Three, \$2,979,198.90, has been calculated using the same labor rates as the labor rates for Option Year Two. The labor rates for Option Year Three may or may not change depending on the SCA Wage Determination that will be in effect on September 21, 2010, the beginning of Option Year Three. If labor rate changes to the contract are required at that time, new Option Year Three labor rates and a new Option Year Three ceiling value will be established via a modification to the contract.

The total value of the contract for the base year and four option years is increased by \$296,408.66, from \$13,751,411.64 to \$14,047,820.30.

This modification does not obligate funding. Funding will be placed on the individual task orders under the contract.

All other terms and conditions of the subject contract remain unchanged.
