Dear Dr. Gregory B. Jaczko,

I am writing to proudly inform you that Brian Nathan Bellville, who has been a member of Troop 964 for the past seven years, has recently achieved the rank of Eagle Scout, Scouting's highest rank.

Brian's Eagle Service Project involved rehabbing our High School outdoor concession stand, which had been severely damaged by vandalism. Throughout the spring and summer, Brian worked with the school and Quarterback Club to ensure the stand would be better than before and ready for fall sports. Brian worked with fellow scouts to completely gut the interior. He met with concession workers to help develop a new and more streamline workspace. Brian then organized and implemented a series of steps to go from blank room to efficient food stand. Brian coordinated upgrades in plumbing and electrical needs as well as a non-slip floor, helped install an industrial sink, new counters and shelving. True to his word, the updated concession stand was ready for the fall football season.

Within the next few weeks, we will be conducting his Eagle Court of Honor. I am certain that Brian would be proud to receive a letter of congratulations from you. We will see that it is read at the Court of Honor and presented to Brian as a permanent reminder of the importance of his achievement.

In order that we might compile all of his recognition letters/certificates into a special presentation album, we would appreciate if you would send you correspondence to:

The date of Brian's Board of Review, and therefore the official date of his Eagle Scout Rank, is May 24, 2010.

Brian is very interested in the physics of Nuclear energy and will be pursuing that interest this fall at the University of Michigan. Thank you for your time and consideration.

Yours in Scouting,

Cindy Bellville
