(NOTE: This will be used as the Documents Title in ADAMS)

Discussed request to name consultant as RSO. Johansen asked whether they had trained authorized user who had been doing the leak tests, lock out and had a training certificate from manufacturer's equivalent course. Yes, Tom Evans had been trained by Radiation Technology, Inc and the former RSO had over 20 years experience with the gauges. He would send certificate. Also stated that Radiation Technology was the training part of Texas Nuclear a few years back and did do hands on gauge training.
