Attachments: Summary of Results From Comparison.pdf; CTMT DETAIL COMPARISON.pdf *2...4*

Mark,

Attached is the information requested by NRR. Note that there are two pdf files. Also, note that this is in no way any sort of formal document. It is a working document which the licensee was gracious enough to share with us. Keep that in mind when reviewing the data. Also, the CTMT Detail Comparison is best printed on a 17 x 11 sheet of paper. (It will take three sheets.)
