Luis said this morning he was not needed at the meeting... That's why I wanted to check with you on it.

This email is being sent from an NRC Blackberry device.

Hi Meena,

We may want to check on need for contractor (Naus) at Nov 20 meeting.
We were not planning to have him, but Lou mentioned NRR wanted him there?

Thanks,
Mark

Lou/ Bob,

I had meeting with Luis and Kriss this morning to discuss Nov 20 and SIT Exit expectations.

- Attendees at Nov 20 meeting next week are Luis, Bob and I. Dan is freed up from attending.

- Please go ahead and start planning SIT Exit. Get with licensee to agree on a location near Crystal River and an appropriate date. Shoot for 1st week in December.

Thanks,
Mark
