Subject: Request for a Follow-up Conf. Call with PE and MPR on Design Basis Analysis

Lou,

NRR (Farhad, myself and may be some other structural engineers) would like to have a follow-up conference call with PE and MPR on the Design Basis Analysis and information presented in Friday's public meeting. Could you please help set up a call with PE/MPR for about 45 minutes either later today, tomorrow or latest Wednesday morning.

Thanks.

George Thomas
