Subject: Financial Assurance for Radioactive Material
New Jersey License Number 453604

Dear Dr. Gelinas:

As you know, the State of New Jersey became an Agreement State on September 30, 2009. On December 18, 2009, NJDEP contacted UMDNJ (Piscataway) to inform UMDNJ of the need to issue new financial assurance documents with the State of New Jersey Department of Environmental Protection (NJDEP) as the beneficiary. The financial assurance documents were due March 18, 2010. The NJDEP received UMDNJ's financial assurance documentation July 13, 2010. This letter is to inform UMDNJ that UMDNJ has met New Jersey's requirements for financial assurance.

UMDNJ's financial assurance consists of a Statement of Intent dated July 12, 2010 and the Certificate of Financial Assurance dated July 12, 2010. Please provide a signed copy of the University Policy entitled Legal Commitment Authority, which was included in the financial assurance documentation.

By copy of this letter to the U.S. Nuclear Regulatory Commission (NRC) your original financial documents will be released and mailed to Novartis at the above address.
