Memo To: W. Geoff West, President and Chief Medical Physicist - West Physics Consulting, LLC

From: Freire Lima, Vice President of Operations Services – Digirad Imaging Solutions, Inc.

Subject: Delegation of Authority

W. Geoff West, you have been appointed a Radiation Safety Officer for Digirad Imaging Solutions, Inc. and are responsible for ensuring the safe use of radiation. You are responsible for managing the Radiation Protection Program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations where justified to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the Nuclear Regulatory Commission and /or Agreement States at any time.

In addition, Daniel P. Leddy, Medical Physicist – West Physics Consulting, LLC, is given the authority and responsibility to initiate and submit licensing requests on behalf of Digirad Imaging Solutions, Inc.

Issued by:

4/29/10

Freire Lima
Vice President of Operations Services
