Tom:

Please find attached a second set of Draft RAIs for the Peach Bottom U2 SLMCPR LAR. These RAIs are requesting follow-up information regarding some of the RAI responses Exelon provided on 7/15/2010. Please let me know if you would like a teleconference to discuss these RAIs. If possible, we would like to have this teleconference early next week. Also please be aware that we would like to have the responses in to the NRC by 08/20/2010 to support disposition in September.

Thanks,
John

Tom asked me to forward the attached Draft RAIs for the Peach Bottom U2 SLMCPR LAR to you. Please let me know if you would like a teleconference to discuss these RAIs. If possible, we would like to have this teleconference tomorrow due to the short review time required to support Exelon's requested due date of September 1, 2010. Also please be aware that we would like to have the responses in to the NRC by 07/16/2010.

Thanks,
John
