

**Void Sheet**

TO: License Fee Management Branch  
FROM: Region 3  
SUBJECT: VOIDED APPLICATION

Control Number: 573298

Applicant: AAA Lead Inspections, Inc.

License Number: 21-32804-01

Docket Number: 030-38338

Date Voided: August 12, 2010

Reason for Void: The applicant submitted a request for a specific license, however, the gauge is a generally licensed device, so there is no need for a specific NRC license. The Sealed Source and Device Registry approves the gauge for general licensees. Also, the applicant sent a picture showing the device has the required generally license label. OK to void this request.
