RE: Copies of 2009-2010 WDEQ/LQD Annual Reports, NRC License SUA 1548, Smith Ranch-Highland Uranium Project

Dear Mr. Mandeville:

Per correspondence to the NRC dated June 30, 2010, Power Resources, Inc. dba Cameco Resources (CR) is herein providing copies of the Wyoming Department of Environmental Quality's (WDEQ) Annual Reports. An updated surety estimate is provided in Annual Reports to the WDEQ. CR operates under two permits with the WDEQ and is therefore required to submit an Annual Report for each. Please find included with this letter two copies of each Annual Report which include updated surety estimates for your review.

Please contact me at (307) 358-6541 ext. 474 if you have questions.

Sincerely,
