The NRC does not have jurisdiction for regulating radioactive material in the State of Maryland, therefore we cannot list the location as an authorized storage location on your NRC license.

Please review the enclosed document carefully and be sure that you understand and fully implement all the conditions incorporated into the amended license. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region I Office, Licensing Assistance Team, (610) 337-5239, so that we can provide appropriate corrections and answers.
