Subject: Announcement Memo - Audit of NRC's Oversight of Independent Spent Fuel Storage Installations Safety and Audit of NRC's Oversight of Independent Spent Fuel Storage Installations Security

The Office of the Inspector General (OIG) is initiating two audits related to NRC's oversight of Independent Spent Fuel Storage Installations (ISFSIs). The objective of the *Audit of NRC's Oversight of Independent Spent Fuel Storage Installations Safety* will be to determine if NRC has the requisite processes in place for reviewing and approving ISFSIs. The objective of the *Audit of NRC's Oversight of Independent Spent Fuel Storage Installations Security* will be to determine the adequacy of NRC's oversight of ISFSIs security.

OIG will discuss these two audits at an entrance conference scheduled with your office on September 3, 2010, at 11:00 a.m. If you need additional information regarding these audits, please contact me at 415-5915.

We look forward to working with you and your staff during these audits.

Stephen D. Dingbaum
