ADDITIONAL INFORMATION (Reference applicable block numbers from page 1 and/or page 2 for each entry)

The purpose of this amendment is to add a new US domestic licensed facility address from which exports will be made and to which imports will be made to. However, this request may not be applicable for imports, due to imminent changes in 10 CFR 110 coming into effect on August 27, 2010. In any case, we still wish to add the facility as an authorized export location for Category 2 shipments.
