Participants:

Based on our clarifying discussions SCE&G plans to submit the following changes:

- Emergency Plan change to provide specifics on what data will be transmitted via ERDS. (Referencing a subset of the data contained in DCD table 7.5-1 (post accident monitoring system) and COL FSAR Table 7.5-201.)

- ERDS Implementation Program will be added to Table 13.4-201

Please let me know if you have any questions about the above.

Thanks,
Denise
