**Subject:** RE: STP - Virtual Reading Room Access request

Hi Tom,

I received my reading room username and password, and have entered it to get access and it accepts it. There is an icon that says STP Reading Room and when I click on it, it asks me if I want to open or save the file. No matter what I do from here, I cannot get it to open and I cannot get any farther. Do you know what I need to get access to the information I need or who I can contact for help?

Thank you,

Ed
