Ron,

Regarding your call this a.m. about the "Appendices cover page" included in the CD, I am forwarding the email below from Paul Bergstrom, Knight Piesold, which should clear up any confusion about the extra cover sheet on the CD. Please call at your convenience should you have any additional questions regarding the supplemental submission.

Richard:

To respond to your call, the cover sheet in question was intentionally omitted from the hard copy sent to the NRC, because we were able to combine text and appendices into one document (initially we were planning on two volumes for text and appendices). Therefore, we should have omitted the additional cover page in the CD. Please let me know if you have any questions. Paul
