Sorry, I've been out of the office – just back today. You would submit NRC Form 313 with your application although most of the info it asks for would not be applicable to a distribution license. Instead the info you must submit as required under 10 CFR 32.14 and 15 and 30.15 should be included as attachments (assuming the device meets 30.15(a)(7)). Form 313 is available at <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc313.pdf> . You should also review NUREG 1556, Vol 8 which is available at <http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1556/v8/> .
