Subject: Financial Assurance for Radioactive Material
New Jersey License Number 507356

Dear Dr. Lewis:

As you know, the State of New Jersey became an Agreement State on September 30, 2009. On December 17, 2009, the New Jersey Department of Environmental Protection (NJDEP) contacted XenoBiotic Laboratories, Inc. (XenoBiotic) to inform XenoBiotic of the need to issue new financial assurance documents with NJDEP as the beneficiary. The NJDEP received XenoBiotic's financial assurance documents on March 11, 2010. The NJDEP notified Xenobiotics on May 17, 2010 to submit a dated Certification of Financial Assurance. The NJDEP received the dated Certificate of Financial Assurance on August 6, 2010. This is to inform XenoBiotic that XenoBiotic's financial assurance documents meet New Jersey financial assurance regulations.

XenoBiotic's financial assurance documents include; The Certificate of Financial Assurance dated March 5, 2010 and the Standby Trust Agreement dated March 5, 2010.

By copy of this letter to the U.S. Nuclear Regulatory Commission (NRC) your original financial documents will be released and mailed to Xenobiotics' at the above address.

If you have any questions, please contact Dennis Zannoni at 609-777-4252 or Jenny Goodman at 609-984-5498.

Sincerely yours,

Patricia Gardner, Manager
Bureau of Environmental Radiation
