Subject:	RE: Powertech Hearing File

While the August 5, 2010 date is correct for prospective emails and documents, I want to clarify that for populating the hearing file resource now, any document or email that was generated in support of our Powertech review since receiving the application should be sent to the hearing file resource.

Thank you.

Ron

One more thing. Any document or email generated to support the review, as of August 5, 2010, must be saved and sent as an Attachment to the hearing file resource.

Thanks again,
