**Subject:** Additional Comments on Digital I&C ISG-06, "Licensing Process"

**Project Number: 689**

Dear Mr. Kemper:

In a letter to NEI dated June 30, 2010, NRC requested comments on a draft of Interim Staff Guidance (ISG) 6, "Digital Instrumentation and Controls Licensing Process." NEI comments were provided in a July 15 letter from Alexander Marion. Subsequent to the issuance of these comments, NEI received an additional set of comments from the Nuclear Utility Group on Environmental Qualification (NUGEQ). The NUGEQ comments (attached) are being provided to supplement the comments provided earlier by NEI.

If you have any questions regarding this matter, please contact me at (202) 739-8108; jcb@nei.org or Gordon Clefton at (202) 739-8086; gac@nei.org.

Sincerely,

John C. Butler
