

DOCKET NUMBER  
PROPOSED RULE **PR** 20  
(64FR35090)

16 June 1999

Office of the Secretary  
US Nuclear Regulatory Commission  
Washington DC 20555-0001

Re: Recycling Radioactive Metal

PLEASE DON'T !!

Find the safest place you can to store it,  
but please don't put it back in  
"circulation." Radioactivity is not  
healthy for people (even when they  
are sick), so please keep it out  
of products like silverware and  
other everyday items.

Sincerely,

Lucinda McGovern
