Subject: Calls to Wyoming DEQ and BLM

Johari,

I made the two calls to Tom Bills (BLM) and Glen Mooney (WDEQ), this afternoon at 3:15pm EST, regarding the receipt of the draft Environmental Assessment.

Both Offices received the document.

Mr. Bills distributed the document to the reviewers and does not see any problem providing comments in the 30 day time frame.

Mr. Mooney does not believe that he will have time to review and comment.

Jean
