Midland, MI 48674

SUBJECT: DOW CHEMICAL COMPANY – APPROVAL OF REQUEST FOR AN
EXTENSION, RE: FINANCIAL REQUEST FOR ADDITIONAL INFORMATION
DATED JUNE 17, 2010 (TAC NO. ME1595)

Dear Dr. Krahenbuhl:

The U. S. Nuclear Regulatory Commission (NRC) received your letter dated August 12, 2010, (Agencywide Document Access and Management System (ADAMS) Accession No. ML102290013) requesting an extension to the response time described in NRC letter dated June 17, 2010, (ADAMS Accession No. ML101610656). You requested an extension to October 31, 2010, to complete the responses to our financial request for additional information (RAI). We have reviewed and approved your extension request for the following reasons: 1) you need additional time to develop an action plan and 2) you need adequate time for the Board of Directors to meet.

If you have any questions, please contact Walter Meyer at 301-415-0897 or by electronic mail at walter.meyer@nrc.gov.

Sincerely,

/RA by Alexander Adams for/
