Chris:

In response to your question regarding a memorandum of agreement (MOA) for cultural and historic resources, according to Section 106, the lead agency must initiate such an MOA. Therefore, the NRC staff would draft and distribute an MOA and the signatories would be the NRC, Powertech, SD SHPO/State Archaeologist, BLM (because of the BLM land at the site), and the SD attorney general. Appropriate tribes would also be invited to sign, which I would assume would be the Oglala Sioux.

I'm asking any of the copied staff to correct me if needed.
