RE: Control No. 572969, Amendment Request

Dear Mr. Herr,

This letter is in reference to License No. 24-32689-01, Control No. 572969. I apologize for any inconvenience our original request may have caused. As the District Quality Manager and current R.S.O. of license 24-32689-01 I would like to request that John Truesdale be named the new R.S.O. for this license.

John Truesdale is the current Project Quality Manager for Paseo Corridor Constructors. He has been trained on our Radiation Safety Program and has completed the required R.S.O. training. I have attached a copy of his certification. John is on site full time and has the authority to implement Paseo Corridor Constructors Radiation Safety Program.

If any other information is needed please contact me at 303-981-8626 or [danny.bennett@kiewit.com](mailto:danny.bennett@kiewit.com).

Sincerely,

PASEO CORRIDOR CONSTRUCTORS

A handwritten signature in black ink, appearing to read "Danny Bennett", is written over the printed name.

Danny Bennett  
District Quality Manager

License No.: 24-32689-01      Control No.: 572969

**SUMMARY**

This refers to the application dated June 6, 2010, and also the telephone conversation between Danny Bennett and Michael Herr on August 27, 2010 concerning the request to amend your NRC Byproduct Materials License No. 24-32689-01.

We will need additional information to continue our review of your application.

Note that, as Mr. Truesdale is unknown to us, and as he signed the application above, requesting to be assigned the position of Radiation Safety Officer (RSO), and without having any previous "standing" with us, we were unable to ascertain his position within your company. Please have a member of senior management appoint Mr. Truesdale in writing as the RSO instead of Mr. Truesdale appointing himself as the RSO.

We take significant care to protect your license by verifying the identities and positions of persons with whom we do regulatory business.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

---

ACTION REQUIRED

Please submit the requested information by September 3, 2010 by referencing control number **572969** to facilitate proper handling.

If we do not receive an adequate response by this date, we will **VOID** the current action without attempting to contact you further and without prejudice to resubmission of your request at a later date.

Upon receipt of your response we will resume our review. Address your written response to my attention at the above address using the control number 572969 to facilitate proper handling.

PLEASE NOTE THAT A "VOID" IS AN ADMINISTRATIVE PROCEDURE THAT PUTS YOUR AMENDMENT REQUEST "ON HOLD" (TAKES IT OUT OF OUR ACTIVE CASEWORK DATABASE) UNTIL YOU REACTIVATE IT VIA SUBMISSION OF A WRITTEN RESPONSE. IT "BUYS" YOU TIME TO PREPARE A QUALITY RESPONSE AND IS GENERALLY REGARDED AS A "GOOD THING."

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT 630-829-9752 or (800) 522-3025, EXT. 9752.
