SUBJECT: Data File Attachment for ADAMS Document Number ML101870076.

Dear Dr. Lemont:

A reference in Chapter 3 of Draft NUREG-1945 (*Draft Environmental Impact Statement for the Proposed Eagle Rock Enrichment Facility in Bonneville County, Idaho, Draft Report for Comment*) contained a non-ADAMS-compatible data file that cannot be converted to a PDF file. The data was referenced as: (*IDEQ, 2009*) *Idaho Department of Environmental Quality. "2005 Idaho EI." Access database file from Gary Reinbold, Air Quality Analyst, Idaho Department of Environmental Quality. May 11. ADAMS Accession No. ML101870076.* Enclosed is a CD with the data file (2005 All Data.mdb) from that transmittal.

Sincerely,

A handwritten signature in cursive script that reads "Bruce M. Biwer".
