Licensing Branch

Dear Sir/Madam

Following is an amendment for NRC license 13-12374-01 issued to Buzzi Unicem USA. We are requesting that Jay Patterson be removed as the RSO, as he is no longer stationed at this plant. The new RSO is Robert West, the Environmental Manager. His training and experience information are attached.

Your expeditious response to this data is much appreciated. Should you have questions, please feel free to contact me at 765-653-8816.

Respectfully Submitted,
Lone Star Industries, Inc.

Robert L. West, PE, PG
Environmental Manager
