entity Royal Order of Kamehameha  
entity Ahahui Kaahumanu Society  
entity Hale o Na Alii  
other entities claiming to have alii or standing in our Hawaiian Society, etc.

Royal bloodlines, true bloodlines of Kamehameha, Kamehameha III, Kahekili, Kaumualii, et. als. exist. True landowners including the Crown Land owners exists.....the true trustees of Queen Liliuokalani's trust, etc. exists with stories of genocide, etc.

The entity State of Hawaii FAILS to protect the lives, safety, health of the people - kanaka maoli/aboriginal Hawaiians, their U.S. citizens, foreigners, visitors.....therefore are inept and truly illegal even under their own Constitution.....

The true bloods are here, and the signers of the "covenant " with the military has no standing and oppositions have been documented by the true bloods.....not the phoney oldies who are NOT alii claiming to sign something that they nothing about.....they are and remain ignorant to the facts and are NOT related to our Royal families.... and they have no authorization to work with the belligerent occupiers to bomb the hell out of of Hawaiian Islands, with the intent to exterminate our good peoples.

OHA is a significant lame ass entity created which utilizes the title "Hawaiian" for any one born in the islands which is a misrepresentation of the true bloods, the true land owners, etc. They are Hawaiians betraying everyone who live, eat, drink off of our Islands.....they are conspirators or co-conspirators against all humankind in our Hawaiian Islands.....and claim to represent our people when they are just an entity created by the belligerent occupier giving "color of law" to their criminal entity that cannot exist due to the premeditation of assuming our Hawaiian Kingdom, our Queen, and support those who defended the international lawbreakers, foreigners (U.S. , England, and the bankers) who did break Permanent Friendship Treaties, and the Laws of Nations .....

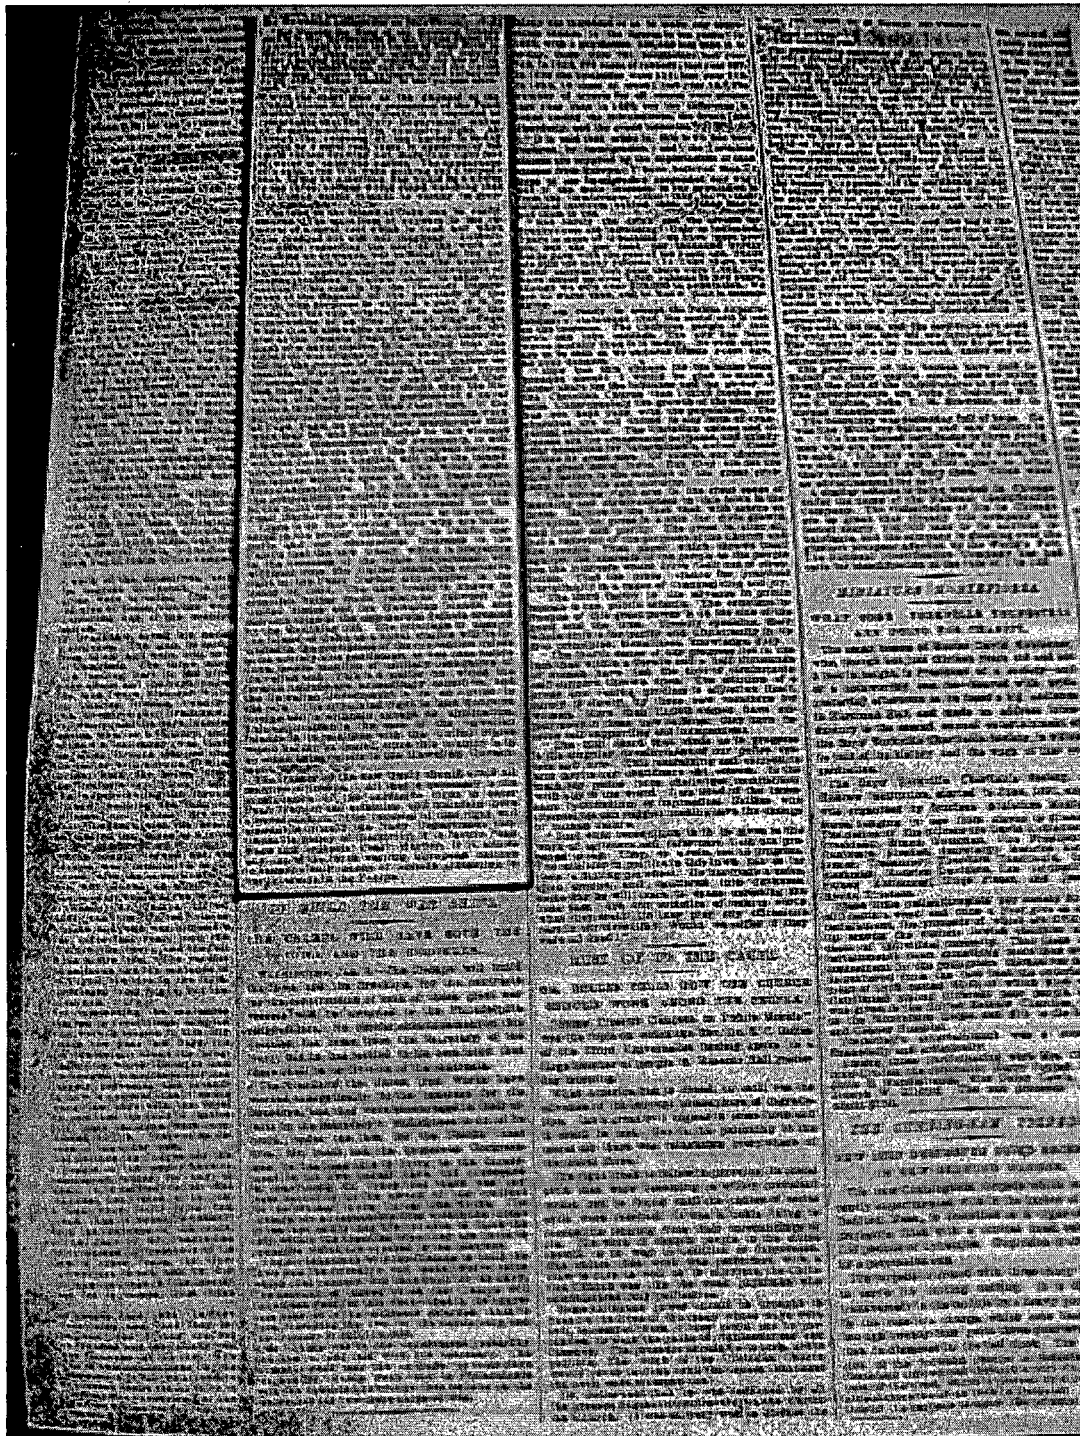

They are a mockery to nations who claim Peace.....they do not belong here, are not authorized to use any kind of weapons, toxins, etc. and are in the business of extermination campaign against our good people.

The entity State of Hawaii, OHA/Office of Hawaiian Affairs, City and Counties merely support their moves to kill off all of our good people in the islands.....so, they are not fit to have any kind of government here and legally, morally, can be usurped by their own citizens, etc. The countering moves by their citizens, et. als. includes human rights violations, terror activities, genocide, etc. can also be piggy-backed on claims with our Hawaiian/ aboriginal Hawaiians/kanaka maoli as well. Tourists, all other innocents claims will also be added with the intent to document the U.S. as a terrorist nation along with the Sandanistas, etc. who have taken their case to the World Court and have documented that U.S. is indeed a terrorist nation.

Yes, OHA is in deep kim chee.....Amaral, Apoliona, et. als. have not protected the lives, safety, health of our people in the Hawaiian Islands and will be listed on the genocide activities list, along with all the participants of the illegal document "Covenant/covenant" created by the belligerent occupiers.

Once again, these are the documents showing Premeditation to assume our Hawaiian Islands, Pearl Harbor, our government, our Queen via the following which was found by Shane Lee, a researcher:

[http://www.youtube.com/watch?v=q1c6Ry2\\_-Bk/](http://www.youtube.com/watch?v=q1c6Ry2_-Bk/)

The U.S., along with England, and the bankers owes the Hawaiian Kingdom, and our Royal families 500 Trillion dollars per year in gold coins retroactive to 1893....This is also a notice of debt due.

Aloha,

Amelia Gora, a Royal person, Acting Liaison of Foreign Affairs, Royal Families House of Nobles,  
Hawaiian Genealogy Society Representatives, Hawaiian Kingdom
